PRESIDENT: Read the motions.

CLERK: Mr. President I ask unanimous consent to withdraw LB207, signed Senator Snyder.

PRESIDENT: Lay it over. Wait a minute. What?

CLERK: 702.

PRESIDENT: 702, lay the motion over.

CLERK: Read Attorney General opinion. Read notice of committee hearings. Read Judiciary report. Bills 647, 732, 734, 735, 736, 737, 738, 828 and 829 all on General File. 635 indefinitely postponed and 936 also indefinitely postponed.

PRESIDENT: Are those all the reports then on the desk?

CLERK: That is all on the desk Mr. President.

PRESIDENT: Thank you, before we continue with the debate I want to direct a question to Senator Moylan. Senator Moylan are you ready to go ahead and finish the debate on your bill now, do you think?

SENATOR MOYLAN: No, I was going to request that it be held until next Thursday to give Senator Barnett and Senator Kremer time to work on the penalty amendment.

PRESIDENT: Very good. Senator Moylan is asking unanimous consent to bracket LB827 until next Thursday. Are there objections to bracketing the bill until that time? Hearing none, so ordered. The bill is bracketed. Thank you Senator Moylan. The Chair has the privilege of introducing to the body a very distinguished guest that we have over under the south balcony and I would really like to have former Governor and Lt. Governor Dwight Burney stand up and take a bow over here please. Good morning Dwight we are pleased to have you and any time you have some extra moments over there if you could come up and help the Chair, believe me I could use the extra assistance. Now then that would move us on to the General File....

CLERK: I have a resolution Mr. President.

PRESIDENT: Read the resolution.

CLERK: It will be inserted in the JOurnal.

PRESIDENT: So ordered. Senator Stahmer I would recognize you next.

SENATOR STAHMER: I would just like to announce that former Lt. Governor and Governor Dwight Burney's son operated on my wife very successfully and he is a wonderful young man so it is quite a family.

PRESIDENT: Very excellent report. Thank you.

CLERK: Mr. President Senator Waldron asked unanimous consent to have his resolution referred to the Administrative Rules Committee.

PRESIDENT: Are there objections? Hearing none, so ordered, it will be so referred then. Senator Barnett.
